Ibiza The Action

My name's Sally and I've been married to Alan for nearly five years.

Alan's been bugging me for ages to see if we could get some of our pictures printed in Escort.

I also thought it would be a turn-on to tell your readers what happened when we went on holiday to Ibiza last year.

We were in a bar one night and were well drunk.

Alan had been playing with my clit under the table all night to see if he could make me cum, so I was in a stunningly horny mood.

At one point, I headed off to the loo, only to find there was a queue.

As I waited, I got talking to this girl from Newcastle in front of me and we ended up sharing a cubicle.

"I ENDED UP ON THE FLOOR WITH HER PUSSY A MERE SIX INCHES FROM MY FACE."

When it was her turn to go, she pulled her little skirt up around her waist and I saw that she had neither pants nor pubes. She was totally bald.

"Mine's bald too," I whispered, keeping my voice down so that no one would hear us. "It feels nice like that."

"Here, want a feel?" the girl whispered back, offering me her pussy.

I was shocked and didn't know what to say, so the girl grabbed my hand and thrust it between her legs.

I was trembling all over as my fingers felt her wet lips and a guilty flush washed over me.

I slipped a finger inside her, then a second and third.

The girl spread her legs nice and wide, so I tried a fourth, but I was trembling so much that my legs gave way.

I ended up on the floor with her pussy a mere six inches from my face and I just couldn't help myself – I had to lick it.

The girl didn't bulge as I went to work and I sucked, nibbled and tongued her silky smooth pussy as she stood over me.

All of a sudden, she tensed and came over my face, moaning quietly so that no one would hear.

This was the first time I'd ever done anything like this and it felt incredible.

She then told me it was my turn and bent me over the toilet.

She pulled my mini-skirt up and my panties down and stuffed her face into me from behind.

It felt really dirty having another girl manhandle me like this and it just got better when she started licking my cunt and arsehole.

I could've cried out with joy, the whole thing was so filthy, and I started to cum after just a few seconds.

As I was clenching against her face, the girl stuck her slippery fingers up my tight little arse, boosting my pleasure beyond belief.

When I found Alan again, he smelt the sex on my face and knew something was odd straight away.

I told him what had happened, so he whisked me back to our hotel room and fucked me in the arse.

He must've been horny because he finished himself off all over my face, spraying his hot come all over me and groaning before I grabbed his prick and licked it clean.

Now we want to meet up with girls who want to join me while Alan watches.

I'm really up for it, and want to meet as many girls as possible so get in touch. And if Alan can join in, he so much the better!

Sally, Yorkshire.

ARABELLA

Aussie babe Arabella's only over here for six months, but it turns out she had a list of things she wanted to do here - and one of them was to appear in a top shelf magazine!

"Yeah! We get them down in Oz, but there aren't many photographers so when I came to England I thought I'd put the word out to see if anyone was interested in shooting me. I was quite surprised by how many people got back to me!"

Well we're not. Strewth!

Hole Lotta Love!

I just had to tell you about a recent trip to London.

Me and my wife Vicki live in Dorset but we have friends in 'the Smoke' who invited us to stay.

While we were there, we thoughts we'd take a trip into Soho and visit a few sex shops.

We bought some lingerie and some toys, then plucked up the courage to check out an XXX cinema.

It was one of those places with private booths, and after watching the film for a few minutes, Vic asked if she could suck my cock.

How could I refuse?

While she coated it with spit and saliva and swallowed my cock, I heard a click in the next booth and noticed a hole in the wall.

I whispered to Vic that I thought someone was watching and she gasped with delight and started sucking me even harder.

It was then that I saw movement behind the hole and suddenly someone's hard cock poked through.

Vic broke away from my prick and eyed this new arrival keenly.

She took the twitching cock in her hand and slowly started to wank it off as she licked all around the helmet.

From behind the partition, the guy started moaning, and Vic slipped her mouth over his cock.

She was on all fours and thoroughly enjoying herself, so I eased up her skirt and pulled her panties aside.

I was amazed at how wet she was and scooped a little up with my fingers to taste.

My cock was now practically bursting for release, so I slipped in into her from behind and she started bucking back against it as she sucked on this disembodied member.

Vic came on my cock and I could tell by the noises that our friend was shooting his load into my wife's mouth and the spunk-greedy girl was swallowing the lot.

This was too much for me and I filled her luscious cunt with a hot salty load.

The cock disappeared as quickly as it had appeared and we heard the door of the next booth open and swing closed again.

Vic turned around and gave me a smile and I couldn't believe how much cum she had all over her chin.

"Better clean up before we leave," I told her, handing her a tissue.

I love London.

Barry, Dorset.

Louise

Man-hungry MILF Louise knows exactly what she likes in a lover…

"I think stamina's the most important thing," she tells us. "I'm not interested in a guy who's going to shoot his load and then fall asleep for 8 hours. If I'm just getting warmed up I expect my lover to have a bit of staying power – that's why younger guys are so much more fun. Even if they do cum really quickly they're always up for seconds before long – especially if I make them lick out my juicy cunt for a while!"

Happy Snaps

03. MARY

I always look forward to my husband getting the latest issue of Escort because I know that once he has had a good look at it, he will get so turned on that I will be up for a really good dirty fuck.

I have just turned 40 and am highly sexed – in fact I want sex now more than ever!

As I lay on my bed this morning I started to fantasise about him seeing me in your mag fucking myself with a huge vibrator. I was getting so worked up I could feel hot sticky pussy juice running down my legs.

I couldn't stop thinking of him looking at me in your mag while he was having a good wank. I was getting hotter and hotter as my finger was working overtime on my clit.

I couldn't hold back and in seconds I was having one of the most intense orgasms I've ever had.

As I lay there I remembered some very dirty photos that he had taken of me on my birthday and the incredible sex that followed.

He had taken me out for a meal that night. I had a fair bit to drink as you do on those occasions and was up for anything. As we sat there in the restaurant the talk between us turned very dirty and he asked me if I would let him take some sexy photographs of me when we got home.

I was a bit shocked at first because he had never asked me to do anything like this before but I was feeling so turned on that I said yes.

By the time we got home I was feeling so horny thinking about the photos I could feel the juices already flowing in my cunt.

As we sat on the sofa we had another drink and he started groping my breasts. He gently massaged them one by one and I could feel my nipples getting harder and harder. Then he finally slid his hand down between my legs towards my aching cunt.

I think he was a bit surprised when he discovered I wasn't wearing any knickers. He started rubbing my clit and I knew that if he didn't stop I would cum too soon, so I pulled his hand away and told him to go and get the camera while I got myself ready in the bedroom.

I thought to myself, you want some dirty pictures, that's exactly what you're going to get.

When he came into the bedroom a broad grin came over his face. He knew he was in for a dirty fuck.

As he took his clothes off I could see that his cock was already rock hard. He started

"I STRADDLED HIS MOUTH WITH MY DRIPPING CUNT SO HE COULD BURY HIS TONGUE DEEP INSIDE ME."

taking photos, telling me to play with myself using the vibrator.

I rubbed my clit with it and ran it up my sticky lips as he snapped away.

By the time he put the camera away I was ready for a good fuck.

I pulled him onto me and slid my mouth over his stiff cock to slurp and suck it like a dirty whore.

As he lay there on the bed I straddled his mouth with my dripping cunt so he could bury his tongue deep inside me and lick out all the juice running out of my wet hole.

I then knelt on the bed, sticking my slick cunt out at him and he took the bait, fucking me hard, doggy-style.

I could feel his body shudder every time he thrust into me. My cunt felt like it was going to explode it felt so good.

As I started to cum I could feel his body arch and he filled my swollen cunt with his hot spunk.

We fucked all night and in the morning my pussy was sore but satisfied.

Please print these pics so my fantasy will be fulfilled. I'm sure my husband will be surprised and I hope it makes him feel horny as fuck. I can't wait for the all-night dirty sex session which I'm sure will follow!

Mary, Beds.

When Tammy's got nothing special planned she loves to while away a few hours in her own company. "Well why not? I open a bottle of wine, get a few chocolates and make the most of things. I like to make things last, so maybe for the first hour I'll only touch my boobs, until I can't stand it any longer and have to pay my dripping pussy some proper attention. On a good evening I'll cum 4 or 5 times. Lovely!"

"I use this to get me in the mood for when hubby gets home from work."

Lucy

"I've always had an exhibitionistic streak, so I guess it was inevitable I'd end up appearing in Escort one of these days! A few years ago I realised that I far preferred having a wank if I knew someone was watching – if I didn't have anyone to hand I'd go into the garden and play with myself, safe in the knowledge that there's soon be a few net curtains twitching in the neighbourhood. I always used to cum so much harder that way! The thought that all your horny readers will be seeing my pics and wanking their hard cocks for me is the ultimate turn-on!"
